The Bachelor of Science in City and Regional Planning requires 122 credit hours. In addition to the specific degree requirements listed above, free electives may count toward the 122 total. Courses marked with an asterisk are offered BOTH autumn and spring semesters (effective for the 2020-21 academic year). Some other 3000-level and all 4000-level courses are only offered in the listed term.

General Education requirements (GEs): Refer to the lists on the reverse of this page or the Advanced Class Search in BuckeyeLink or the Search by Course Attribute feature in Schedule Planner for General Education (GE) requirement areas and acceptable courses for each. Use your Degree Audit to monitor your progress. Schedule advising appointments at go.osu.edu/knowltonadvising.

CITY AND REGIONAL PLANNING ELECTIVES: 32 hours total. A minimum of 12 hours must be from City and Regional Planning. Up to 20 hours may be taken outside the section from related areas. A completed minor in any of the following areas can also be applied toward CRP Electives: Architectural Studies, Aviation Studies, Business, Design Thinking, Economics, EEDS, GIS, Geography, Global Public Health, Inequality and Society, Landscape Architectural Studies, Leadership Studies, Nonprofit Management, Public Policy, Real Estate, or Society and Environmental Issues.

OPEN OPTIONS [6 credit hours]

Open Options GEs include any additional GE-approved course(s) including those GEs that are not requirement areas for CRP (such as foreign language). Check course descriptions for information about GE status.

¹If selected, Landscape Architecture 2367 will fulfill two GE requirements: Writing Level II and Culture & Ideas. Landscape Architecture 2367 and the Social Diversity requirement are the only two areas in which courses may double count. Use your degree audit (available at <http://buckeyelink.osu.edu>) to verify degree requirements.

B.S. CITY AND REGIONAL PLANNING ELECTIVES BY TOPIC

CRP ELECTIVE REQUIREMENTS (32 CREDIT HOURS): Complete credit hours from any of the courses below, either across topic areas, or in one topic area. At least 12 hours of electives must be taken within City and Regional Planning. Electives may **not** double-count toward GE requirements or toward a minor. Students wishing to take courses outside of this list should consult their advisor. (Students who declared prior to AU17 are required to complete 34 elective hours.)
