

DISTINGUISHED ALUMNI OF THE KNOWLTON SCHOOL

The “Distinguished Alumnus” Awards were established by the faculty of the College of Engineering at The Ohio State University in 1954. Each year, the College of Engineering presents the award to alumni deemed to be extraordinary in their personal achievements, developments they contributed to in their field of expertise, or their service to the College of Engineering or the Austin E. Knowlton School of Architecture.

YEAR	RECIPIENT(S)	DEGREE(S)
