HIGH SCHOOL DESIGN STUDIO is a two week day camp providing students an introductory hands-on design studio experience at the Knowlton School of Architecture at The Ohio State University. Led by professionals, students will be introduced to architecture, landscape architecture, and city and regional planning. At the end of the program, participants will have completed work that can be used as a component of college architecture program portfolio requirements.

TO REGISTER:
VISIT www.columbuscfad.org/camp-architecture and click on the “register” tab

Cost: $500

Open to students entering grades 9 through 12

Questions? Contact The Center for Architecture and Design
